## Buttons & Figs

### Limerick Trick

There was an Old Person of Phoenix,  
Who liked to build tents with Kleenex;  
She built one or two,  
but away they flew,  
That flighty Old Person of Phoenix.

There was an Old Person of Bird,  
Who liked to act quite absurd;  
So he stood on a goat,  
while drinking a float,  
That talented Old Person of Bird.

There was a Young Person of Pool,  
Who like to act really cool;  
So he dove in one day,  
but it wasn't in May,  
That frozen Young Person of Pool.

Which lines  
rhyme or are  
the same?
