## Eat your way home Activity

DENNIS LEE'S VERSION FROM ALLIGATOR PIE

Here's what was eaten in the cities and towns of Canada:

In Kamloops  
I'll eat your boots.

In Aklavik  
I'll eat your neck.

In the Gatineaus  
I'll eat your toes.

In Red Deer  
I'll eat your ear.

In Napanee  
I'll eat your knee

In Trois Rivieres  
I'll eat your hair.

In Winnipeg  
I'll eat your leg.

In Kitimat  
I'll eat your hat.

In Charlottetown  
I'll eat your gown.

And I'll eat your nose  
And I'll eat your toes  
In Medicine Hat and  
Moose Jaw.

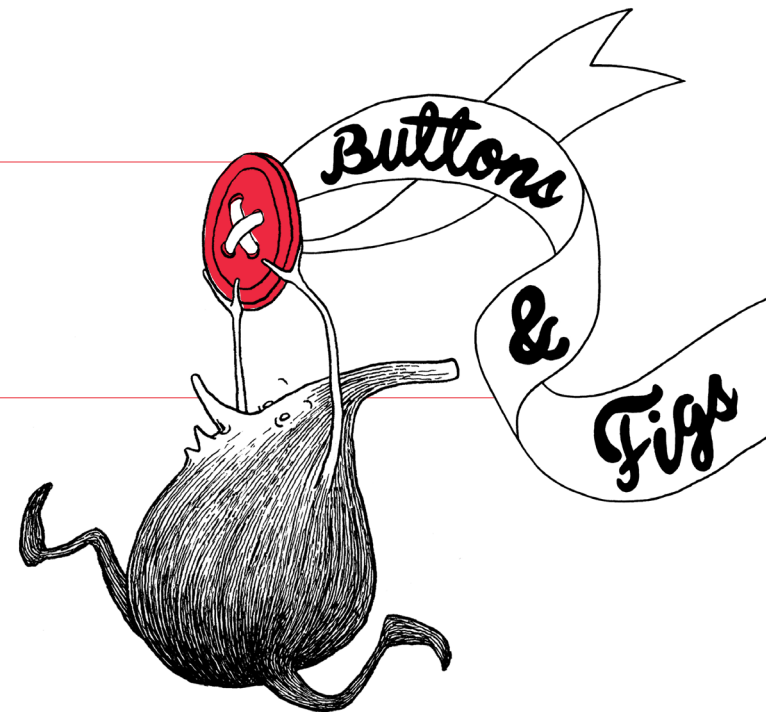

In Crysler's Farm  
I'll eat your arm.

**What will YOU eat  
in the cities and towns  
around you?**

Find a map of the cities and towns around you, look for unusual city and town names, (*hint: cities and towns with 3 syllables work best!*) and find a good rhyme for what you'll eat while visiting there.

**Example:**

In **Chicago**  
I'll eat **your elbow.**
