Hoarse Horse

Dear Deer,

I'm sorry I missed dinner last night at eight o'clock. I caught the flu when I flew back from Chili. Perhaps it was due to the chilly weather in Chili, or maybe it was the cold mist. Who knows, it could have been the chili I ate. Either way, I can't stop blowing my nose. When I feel better, I'll fix you my fabulous beet salad, it really can't be beat!

Signed,
Hoarse Horse
