

WACKY WoRdPLaY Wednesday

Buttons & Figs

Bombostic Acrostic

Wheels spin, round and round!
Everyone pukes, ew, what a sound!
Donuts, dairy, pickle stew,
Out it all came, everyone blew.
Never will I ride again.
Twirling, whirling, it seemed so fun,

Carnival rides aren't for everyone.
Are you going to the fair again?
Round and round, wheels spin!
Everyone aboard was good and ready,
All the riders, including me, were steady.

Best ride at the fair, this year, by far
Until, that is, we started for the car...
Turning green
Turning green
Oh no,
Not again - bleeeeeaaaarrgh.

What phrase do the
first letters of each
line spell?
